THE ACTION of Mayor Pail yesterday afternoon in suspending two members of the police force for violation of a positive is the outcome of incidents which have may prove a deterrent in future not only throughout the country. to those who are paying the penalty for their thoughtlessness, but to others also who may be tempted to deliberately ignore rules they promise to obey when they accept positions of public trust. This is not the first instance in recent years when officers who are paid to patrol their beats and protect life and property have had similar charges urged against them, but on other occasions the allegations have been combated and in most cases the police rules have, for want of what was part of its investigation, but lest a prodpersons charged with such infractions of regarded as positive and incontrovertible evidence, been deemed innocent. There is every reason to believe that the men who yesterday paid the penalty due their singular want of respect for rules adopted for their gov. ernment are not the only ones who occasionally run desperate risks in the same line, and the action of the Mayor should be that he is willing to reconsider his views a sufficient warning to such. He imposed the maximum pensity, and by so doing signified his determination to pass like judgment on all others who may so far forget their obligations to the community as to be guilty of similar breaches of rules. CAPTURE OF METRE HILL.

Russians Leave Heaps of Dead-Metre Hill, Captured by Japanese, Commands Port Arthur Harbor.

Tokio, Dec. 1.—It was officially an-ounced today that the Japanese forces charged to the top of "203 Metre Hill" at 7 o'clock this morning, and an hour later occupied the entire summit. The Russians left heaps of dead. report on the taking of 203 Metre Hill is as follows:

"Our army began the bombardment of 203 Metre Hill at dawn yesterof James B. and James S. Garrison, at day. We made several charges before 4 Garrisonville, Stafford county, was p. m., all of which failed owing to the burned Tuesday, together with all the enemy's stubborn resistance. At 5 p. m. we advanced against the southeastern part of the hill, and after a fierce fight got within thirty yards of the summit. At 7 p. m., after we had been reinforced, the charge was renewed. We successfully reached the top. Our forces operating against the northeastern fort were similarly successful, and at 8 p. m. the entire fortifications on the too of the hill fell into our hands. The Russians heaps of dead on the eastern side of the Arthur harbor.'

London, Dec. 1.-The Japanese have Port Arthur all but in their grasp. Tragedy After Elopment.

Two men were shot and killed and another seriously wounded by J. M. Williams, a far ter near the town of Alvaraio, Texas, recently. Stephen McKinney, a young farmer, who had been paying attention: to the stepdanghter of Williams, failing to win his consent to marriage, ran away with the girl and married her. McKinney and his bride returned home and the bridegroom went to work on his farm. Williams went to the town of Alvaratio and bought a rifle. Then, riding out to the field where McKinney, his father and brother were at work, the enraged man, without a word, opened fire, killing Stephon. The elder McKinney rushed to the rescue of his son and was himself shot dead. The brother, too, was seriously wounded. Officers have started to atrest Williams, and trouble is anticipated. A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre, of Shepherdtown, W. V., says: "I had a severe sitaek of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallable for Croup, Whooping Cough, Grip, Pneumonis and Consumption. Try it, It's guaranteed by E. S.
